Dealers' meet & Factory Day at Belgaum

Annual Day celebrations at Goa

30 more people undergo Operational Excellence Training

Meet Man of the Month Mr. Satish Shriyan

Mr. VISHNU PATIL TAKES GOA OTR SALES TO A NEW HIGH :

He is known for handling BIG OTR TYRES. But his achievement in the month of July and August was even bigger. Vishnu, a hard working Sales Officer from Goa, registered a whopping 200% increase in sales over last year's average. CONGRATULATIONS!!! We wish more grease to his elbow.

DEALERS' MEET & FACTORY DAY AT BELGAUM :

This annual traditional event of Belgaum was organized amidst great amount of joy and celebration among the employees and dealers of Tyresoles-Belgaum on 11th June '06.

Mr. S. P. Desai, General Manager, in his address highlighted the accomplishments of the units

during the year and the plans lined up for the near future.

Mr. Karun Sanghi, Director, in his address congratulated employees and dealers for being a part of the success of the unit.

The mounting price of various inputs and likely need for a price increase in the future was also emphasized during the interaction.

The Factory Day, which was organized in the evening, witnessed a host of performances by the talented staff and family members. A sumptuous lunch and dinner was organized by the company for all the invitees.

ANNUAL DAY CELEBRATIONS AT GOA :

This much-awaited event of the Goan staff finally took place on 20th June '06 at Hotel Atish, Ponda, Goa.

The event was graced by dealers and family members of all the staff. The programme started with an auspicious puja at the factory.

Mr. Satish Shriyan, District Manager, in his address briefed about the various developments during the year, including the certifications under ISO 9001 and introduction of new radial moulds. Mr. Karun Sanghi, Director, appreciated the progress made by the unit and expressed hope on the unit achieving its targets for the financial year.

An entertainment programme by in-house talent and an exciting magic show were the highlights of the programme. This was followed by lunch and the event provided an exclusive opportunity for the staff to meet each other's family members.

30 MORE PEOPLE UNDERGO OPERATIONAL EXCELLENCE TRAINING :

In its endeavour to make more and more staff understand the importance of waste elimination, continuous improvement and increased productivity, a grueling four-day training session was organised at Tyresoles-Goa factory from 16th to 19th June '06.

Conducted by Mr. Karun Sanghi, Director, and Mr. M. K. Bukhari, Group Production Manager, this in-house training programme was instrumental in inculcating its core message among 30 executives of Tyresoles from various units and functions.

A blend of theory and practical projects, this module of training has inspired hundreds of

Tyresoles staff in the past. The programme has enabled participants to implement many projects in their areas and units, including their personal life, to be more productive.

Tyresoles believes that every employee should undergo this programme whereby each of us can contribute to the company's productivity as a whole.

MEET MAN OF THE MONTH MR.

SATISH SHRIYAN :

He joined Tyresoles as Accounts Officer 8 years back. Today he is heading the entire Goa operations as District Manager.

His transformation from an Accounts personnel to a Unit Head, handling sales, production and administration is an example for the rest in the organization. Under his leadership, Tyresoles Goa has emerged as one of the most profitable and fast growing units among the group.

His urge for continuous learning and disciplined work culture has enabled him to climb up the ladder and take him a long way in his career.

Tyresoles Pariwar recognises his energy and enthusiasm and wishes him much more success in the future.

DO YOU KNOW ABOUT THIS?

** It is the air inside the tube / tyre that bears the load of the vehicle and not the tyre itself.*

** The ply rating of a tyre signifies only the ply strength and not the number of plies in the tyre.*

** The basic difference of Bias ply and Radial tyre is in the ply construction and not in the ply material.*
